

INTRODUCING MEDBRIDGE GO

the patient mobile app to revolutionize
home exercise rehabilitation

Download on the
App Store

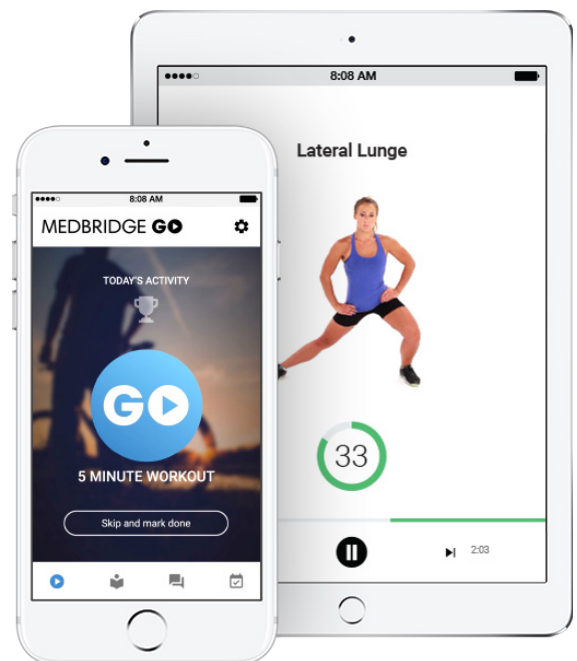

GET IT ON
Google Play

Dramatically improve patient adherence.

Transform the patient experience by
prescribing home exercises in easy-to-
follow, achievable daily doses.

- ✓ Remove obstacles to activation
- ✓ Reduce self-discharges
- ✓ Engage patients every day
- ✓ Safe, secure, and easy to use

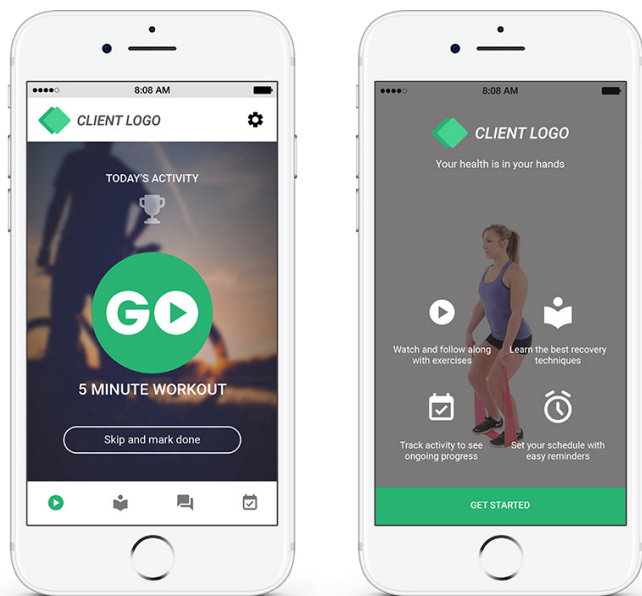

Gamification, reminders, and push notifications engage patients as active daily participants.

Mirror neuron learning¹ helps to guide patient behaviors and promote healthy progress.

Drive better outcomes.
